## 1985 Corvette Coupe

- Brand new Red Paint (\$4000.00 paint job by Total Auto Body)
- Rebuilt Jasper 350 engine
- Rebuilt Automatic Transmission with Overdrive
- New Seat Covers
- New Carpet
- Car has 132,000 Miles on it (Motor and trans have less than 10,000 miles)
- Targa Top
- Great Tires
- Nice Exhaust
- Stock# 09-118

This ole C4 looks and runs absolutely great. It shifts are crisp and the rebuilt engine has plenty of power on tap. The paint is knockout. The interior is very clean with nice custom leather two tone seat covers and a new black carpet kit.

Make a great Corvette Cruiser for under 10k!

**\$9,500**
